

Product Item number	CareSystem support arm, height and sideways adjustable R3546000
Colour Product description	<div>  </div> White Support arm without spring counter balance, 600 mm, height adjustable 250 mm, for mounting on horizontal track. Discontinued as per 31 Dec 2015 Support arm without spring counter balance, 600 mm, height adjustable 250 mm, for mounting on horizontal track. Discontinued as per 31 Dec 2015
Adjustability Product capacity	Height and sideways adjustable Max. vertical load: 135 kg.
Materials Ergonomy	Basic material: 20 micrometre anodized aluminium Surface material: Two-component plastic (PVC) End cap: Arnite Front plate/end covers, track: Polystyrene plastic (PS) The oval shape gives an easy and comfortable surface to lean and push against. The end of the support arm is enlarged so that it is easier to pull forward from a sitting position and also provides a clear sense of where the support arm ends. Soft and slip-resistant material that has a warm feel.

PRESSALIT®

Product Item number	CareSystem support arm, height and sideways adjustable R3546000
Features	Folds against the wall. Can be pushed along the track. Height adjustable 250 mm. The underside is shaped for the mounting of various accessories.
Cleaning	Pressalit recommends that chalky deposits be removed from wall tracks and other aluminum parts using a solution of three parts of 30% acetic acid to seven parts tap water. When the aluminum parts have been washed down with this solution, the parts should be wiped over with a damp cloth wrung out in clear water.
